Director's Note

Welcome to *What is the Meaning of Christmas?*. In bringing these diverse stories and songs together, we wanted to explore the question posed by our title - a question that doesn't yield a single, simple answer. Instead, the "meaning of Christmas" reveals itself uniquely to each character in our collection.

You will witness moments of selfless sacrifice in *The Gift of the Magi*, and the simple, profound hope found in no-man's land during *Christmas in the Trenches*. We explore the magic of belief through Mark Twain's whimsical Letter from Santa Claus and Francis Church's famous reassurance to Virginia O'Hanlon that, yes, Virginia, there is a Santa Claus. The joys and stresses of tradition are seen in Norm Foster's *The Christmas Tree* and the cozy, familial love of the March family in *Little Women*. These narratives remind us that the season's significance lies not just in shared customs, but in deeply personal acts of generosity, hope, and love.

We are thrilled and grateful to have some of our regular actors and crew back on board. We are also especially happy to welcome some new actors and crew to our company for this production. Theatre CBS continues to grow and that's a good thing. We have a very busy season planned for 2026 and will need all the skills, talent, and passion for theatre arts we can muster.

As you experience this show, reflect on the different "meanings" presented, from the joyful noise of "Welcome Christmas" to the wistful longing of "Where Are You Christmas." Maybe the original biblical message of God's love in "The Meaning of Christmas is Love", speaks to you more. We encourage you to embrace whatever meaning - whether great or small, traditional or entirely new - you choose to attach to your own personal Christmas this year. May you find and celebrate the heart of the season that resonates most truly with you.

Gord Billard

BEHIND THE SCENES

... is where all the action happens!

Theatre CBS is looking for people to join the crew.

THERE'S A ROLE FOR YOU. COME PLAY WITH US!

WHAT'S COMING FROM THEATRE CBS IN

2026

Our submission for the 2026 Provincial Drama Festival in Labrador City. Directed by Susan Bonnell and starring Chris Panting and Brad Stone, Popcorn Falls is a laugh-out-loud comedy about a small town facing bankruptcy if they can't mount a show in 48 hours!

March 25-28 at the Barbara Barrett Basement Theatre, St. John's.

Coming **June 18-20** is *Play On!*, the hilarious story of a theatre group trying desperately to put on a play in spite of interference from the author who keeps revising the script! We are excited to announce guest director Janet O'Reilly (Nothing On Productions) will join us for this show. Theatre CBS will offer a free, eight-week "producing the play" workshop to support *Play On!*, beginning in April.

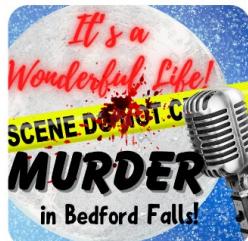

What happens when two people meet on a bus leaving the airport, both doing the same crossword... but one is using a pen and the other a pencil? Find out in the touching play *Two Across*, which Theatre CBS will present as dinner theatre in **September!**

On our **fifth anniversary**, we're revisiting our very first play - *It's a Wonderful Life*... but with an interactive twist, sure to be a fun way to enter the holidays!

We are **VERY** excited to announce a new wing for Theatre CBS, dedicated to presenting plays just meant for young families. This season will include "The Old Woman Who Lived in a Vinegar Bottle" and more delights.

Come take your place.

Your future is bright!
